June 23 - 25, 2017

Attention BC COPA Flights and Regional Flying Clubs:

It is with our great pleasure that we announce our COPA Flight #36, Kelowna and District Flying Club, is hosting the 2017 COPA AGM and Conference, with the full support and enthusiasm of our YLW Management and community.

Please see our website at copaagm2017.ca for our preliminary schedule of events.

We want you to be involved. There are so many ways that your club, and community, can be involved. Please consider:

Fly-Ins and Community Attractions We will be working to attract aviators from across Canada and possibly the Pacific Northwest region of the USA, and promoting for them to "arrive early and stay long." This means there will be plenty of opportunity to attract visitors and delegates to your community, especially on the Thursday, Friday and Sunday.

Exhibitor booths at the AVICON Conference Hall We are planning for a trade show and seminars open to the delegates and general public on the Friday, Saturday and 1/2 day Sunday. This is a great opportunity to showcase your region in the Places to Fly category, or consider any of the other categories listed on our avicon.ca website.

Organizing Committee There is lots of opportunity to join our committee! Every little bit helps, from promoting our sponsorship opportunities to planning the Tower View aviator campsite, and generally acting as ambassadors. Please contact Pam at copa2017@kelownaflyingclub.com to enquire how you can assist us. ***We are looking for leaders and initiators to join our organizing committee! If you are comfortable with taking responsibility for any area of planning, Pam especially wants to hear from you!**

COPA AGM 2017 Ambassadors Travelling to Airshows, Fly-in's and other events? Please help us to promote the 2017 AGM/Conference! We would be happy to hook you up with promotional materials that you can hand out and leave behind at other club locations. **Also, there is a printable 8 1/2" x 11" poster available for download from our copaagm2017.ca website.**

Finally, please help us promote by including a mention in your ongoing communications to your own members and community, in your email signature lines and in your monthly e-blasts or newsletters. Our full-on promotions will begin *after* the 2016 AGM in Yarmouth NS.

Are you attending the 2016 AGM in Yarmouth? Please let us know so you can join our delegation when we promote Kelowna in June!
