

COPA Flight 92 in Red Deer AB (CYQF) is offering assistance to pilots who are wanting to fly to Kelowna BC for the COPA 2017 AGM and don't have any mountain flying training or experience. Flight 92 would like to offer a free classroom seminar on mountain flying, to those who are planning this trip. In order for us to preplan for this seminar, we would ask that you please pre register with us by providing the following information:

PILOT'S NAME: \_\_\_\_\_

CONTACT INFO: Cell phone: \_\_\_\_\_

email: \_\_\_\_\_

AIRCRAFT TYPE: \_\_\_\_\_ MODEL: \_\_\_\_\_ HP: \_\_\_\_\_ IDENT: \_\_\_\_\_

NUMBER OF PASSENGERS: \_\_\_\_\_ PILOT TT PIC ON TYPE: \_\_\_\_\_

ETA CYQF(DATE AND TIME): \_\_\_\_\_

NOTE: 1. We do not recommend low power a/c (less than 180 HP) for mountain flying. This is only our recommendation and is not a regulation or rule.

2. There are no endorsements, or currency requirements for mountain flying.

For further information, please contact:
